Five TAC squadrons still alerted for possible imple-
mentation Operation TACK HAMMER.

CASF force scheduled into Adana Sept - Oct (Mobile
Hotel) will be cancelled if TACK HAMMER implemented prior to
scheduled deployment of Mobile Hotel. If TACK HAMMER implemented
while Mobile Hotel forces are deployed, Mobile Hotel will
constitute proportionate share of TACK HAMMER Force Requirement.
Relocation of Mobile Hotel excess to TACK HAMMER requirement
at Adana to Europe at USCINCEUR's discretion.

In order that plans for Operation TACK HAMMER may be kept
current request your recommendations:

a. Which base or bases should be used during Aug - Dec
rehabilitation Hahn.

consider necessary in view of redeployment of nine squadrons from
